To;

Ms. Winifred Kabumbuli,  
Dean of Students,  
Makerere University,  
P. O Box 7062,  
Kampala, Uganda.

Dear Madam,

**RE: PETITION TO REMOVE MR. KAMUKAMA GODFREY AS GUILD SPEAKER OF THE 86<sup>TH</sup> STUDENTS' GUILD.**

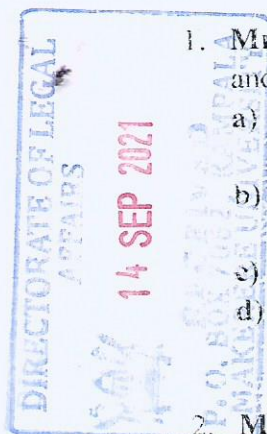

My name is Kyeyune Ismail, a 4<sup>th</sup> year student of Bachelor of Sciences in Medical Radiography. I am an active member of the Students' Guild and a believer in constitutionalism and the rule of law.

I humbly petition your office seeking for the removal of **Mr. Kamukama Godfrey** from the Office of Guild Speaker since at the time of his nomination until today, he did not and does not qualify to serve as a student leader according to the **Makerere University Students' Guild Constitution (Elections) Regulations No. 1 of 2018 as amended.**

Regulation 5(1) (b) provides that "a student aspiring... for **Guild Speaker**... shall fulfil all conditions in 5(1) (a) above except 5(1) (a) (iii) which shall not be a mandatory requirement." **Mr. Kamukama** did not at the time of nomination and does not fulfil the mandatory conditions in Regulation 5(1) (a) (iv) and (v) as shown below **relying on his certified testimonial** which is attached to this petition:

1. **Mr. Kamukama** violates Regulation 5(1) (a) (iv) because he has four (4) pending retakes and is therefore **not on normal progress**. The retakes are in the following course units:
  - a) **PHA2202 – Systems Pharmacology (CVS, Respiratory, Endocrine, Reproductive, GIT and Renal System) – Second Year, Second Semester.**
  - b) **OGN3105 – Clinical Methods in Obstetrics and Gynaecology I – Third Year, First Semester.**
  - c) **PCH3103 – Clinical Paediatrics and Child Health I – Third Year, First Semester.**
  - d) **PCH3104 – Principles of Paediatrics and Child Health (Theory) – Third Year, First Semester.**

2. **Mr. Kamukama** equally violates Regulation 5(1) (a) (v) because his CGPA is below the minimum requirement of at least **2.80**. This is proved by his **certified testimonial** attached to this petition which clearly shows that he had a **CGPA of 2.56** as of Fourth Year, First Semester and has a **CGPA of 2.67** as of Fourth Year, Second Semester up to date both of which are below the minimum **CGPA of 2.80**. This proves that both at the time of his nomination until now he was not and does not qualify to be a student leader at Makerere University.

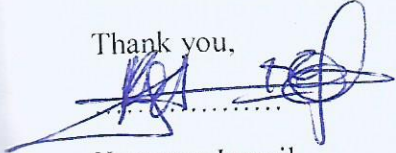

It is my prayer therefore that he is immediately removed from the Office of the Guild Speaker because he does not qualify to hold the above qualification according to the **Regulations** and his **certified testimonial** attached below.

It is equally important due to public policy that students who do not qualify to serve as leaders at Makerere University be removed from such offices whenever that is discovered as it has happened to many others before. Finally, as a believer in the rule of law, I know that an illegality once discovered cannot be condoned.

I look forward to your timely response.

Thank you,
